OBJECTIVE

Computer Engineer with a solid foundation in computer science fundamentals and programming principles. Aiming to enhance and utilize my expertise for the growth of the organization.

SKILLS

- **Programming Languages:** Core Java, OOP, Collection Framework, Exception Handling, Html,CSS,JavaScript.
 - **Database:** MySQL
 - **Tools:** VS Code, Eclipse IDE
 - **Soft Skills:** Communication Skills, Leadership Skills, Presentation Skills
-

PROJECTS

Online Car Parking Management System

January 2025

- Designed and developed a web-based car parking management system to automate vehicle entry, exit, and parking slot allocation.
- Implemented user authentication, vehicle registration, and booking modules for secure access and efficient parking management.
- Developed responsive front-end interfaces using HTML, CSS, JavaScript, and Bootstrap for better user experience.
- Integrated backend logic using PHP and database operations to store parking records, user details, and booking information.

Crop Disease Detection and Prevention Using Leaf Images

July 2025-April 2026

- Developed a crop disease detection system using leaf image analysis to identify plant diseases at an early stage.
 - Built and trained deep learning models using TensorFlow for accurate disease classification.
 - Used OpenCV for image preprocessing, feature extraction, and improving model performance.
 - Designed an application using Python to provide disease detection results and prevention suggestions to farmers.
-

INTERNSHIP

JSCOE Full Stack Development Internship

Dec 2024-March 2025

- Gained hands-on experience in full stack projects and tools.
- Applied analytics to real-world business problems in forensic and strategic decision-making contexts.

Virtual Python Programming Internship

July 2024 – August 2024

- Developed Hangman Game, Chatbots, File Organization System using Python.
-

EDUCATION

JSPM'S Jayawantrao Sawant College of Engineering Hadapsar

Bachelor of Engineering in Computer Engineering. CGPA:9.40

Modern College of Arts Science and Commerce

Higher Secondary School(12th), Percentage:70.17

S.H.G. Shroff High School

Secondary School Class(10th), Percentage: 91.40

CERTIFICATIONS

Java Programming Certification by Hacker rank.

SQL Certification by Hacker rank.
